

SHIPPING MATTERS

There are two mailing addresses to the Pontifical North American College: they are in two *different* countries.

- **Packages containing goods from Italy and European Union countries** (recipient will be responsible for any IVA/VAT payment)

Deliveries through **Courier** (e.g. FedEx, DHL, UPS, etc.) and **Postal Service** (e.g. USPS, Canada Post, Australia Post, Poste Italiane, etc.) should be labelled as follows:

As packages sent to the Italian address **from a non-EU country are subject to import/customs duties** from the Italian state, **to be paid upon delivery**, please note that the Porters will not accept packages which require payment upon receipt: the **package will be sent back**.

ADDITIONAL COSTS:

Via Postal Service: Packages sent through any country's Postal Service, and received at the Vatican Postal Office, are subject to a basic customs/handling fee of € 3.50, which may increase depending on the value of the goods. Exact costs are not foreseeable until we receive the package.

DESCRIPTION OF GOODS:

When shipping **documents** do not indicate a value.

When shipping **goods**, please indicate:

- **Used Personal Effects (for personal belongings) or Gift - Not For Resale**

- **The Courier may require a Pro forma Invoice**

E-COMMERCE

When purchasing items **online** (e.g. *Amazon.com*), a pro-forma must be included:

- **If the originating port is in the EU** you may send directly to the NAC (see point 1)
- **If the originating port is non-EU** you must send to the Vatican/Ufficio Merci or Vatican Post (see point 2).
- Only pre-paid orders are permitted: **COD/Cash on delivery (*contrassegno*) is not allowed.**
